

STAFF REPORT

Meeting Date: 10/13/06
Agenda Item: 5

To: BEACON Board of Directors
From: Executive Director
Date 10/13/06

**Subject: Memorandum of Agreement (MOA) with Coastal
Commission to Accept Seawall Mitigation Fee Revenue**

REQUIRED ACTION:

Approve Subject to Potential Minor Revisions as Approved by the Executive Director.

DISCUSSION:

The Coastal Commission has worked with SANDAG to develop an In-Lieu Fee Beach Sand Mitigation Program. The program lays out a rationale for assessing a one-time fee for Coastal Commission seawall/revetment applicants mitigating long-term impacts to coastal sand supply. Coastal Commission is interested in having BEACON institute a similar program tailored to our area.

The attached draft MOA would allow BEACON to accept these fees exacted by the Coastal Commission and use them primarily for beach nourishment projects.
